

Developed by Roxane Kaufmann, GUCCHD; design by: Lucia Foley, Hampshire Educational Collaborative

**Early Childhood
Mental Health Summit**
September 30, 2009
8:15 a.m. - 4:30 p.m.
Tokai University
9th floor Auditorium

This year's Summit will focus on systems development and components of an early childhood mental health system of care. Roxane Kaufmann and Neal Horen from the National Technical Assistance Center for Children's Mental Health will address "Early Childhood Mental Health" and the "Public Health Approach to Mental Health."

Target Audience: Mental Health Professionals; Infant and Early Childhood Program Administrators; Higher Education Faculty; Policy Specialists; Primary Care and Behavioral Health Practitioners; State and Agency Directors; Community and Family Stakeholders.
