DIRECTIONS TO DOH STATE LABORATORY FACILITY

Coming from Honolulu on H1 West-bound [you're heading Ewa (west)]:

Take Exit #10, stay in the middle lane, turn right and merge into Moanalua Road in the westbound direction.

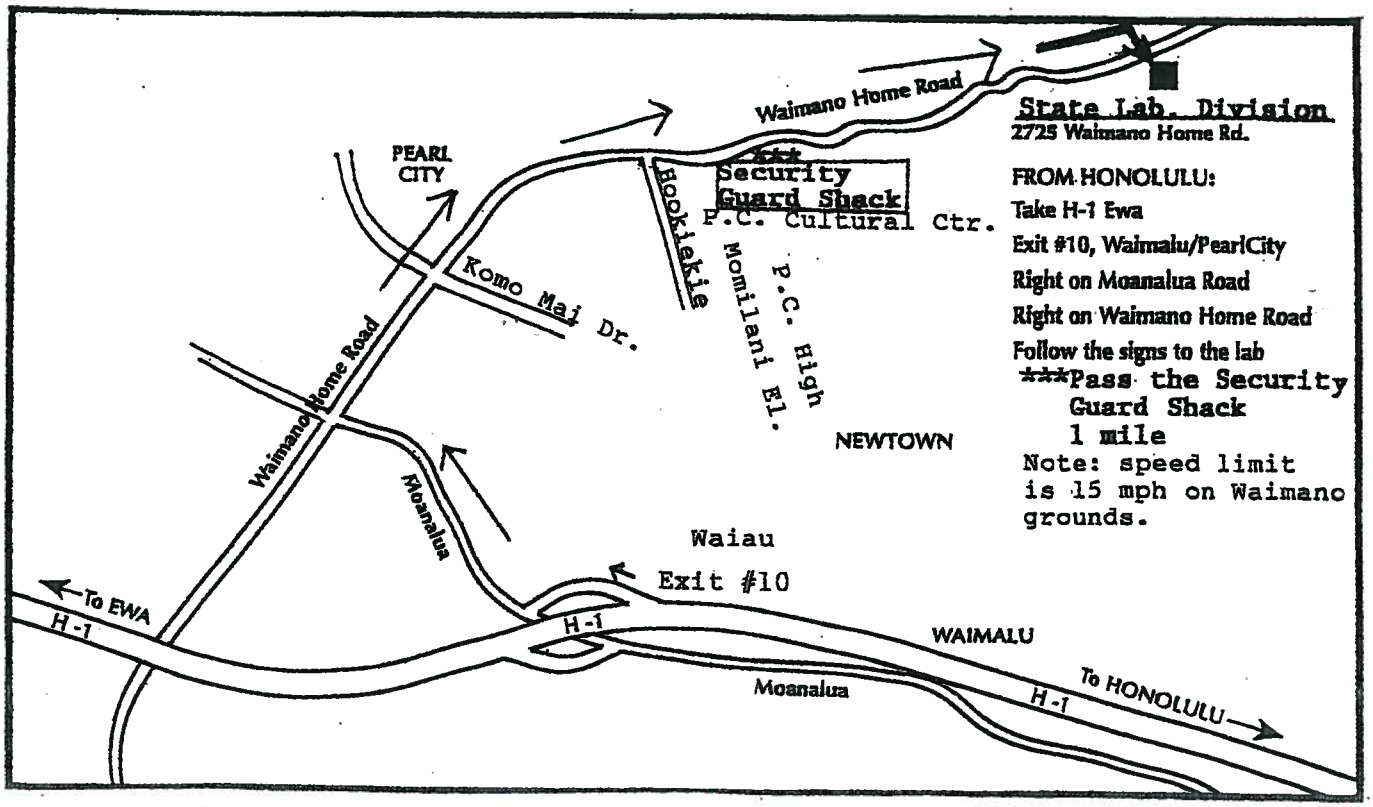
Coming from Leeward/Central Oahu on H1 East-bound [you're heading in the Diamond Head (east) direction]:

Take Exit #10, stay in your left lane. At the signal light, turn left onto Moanalua Road heading in the Ewa (westbound) direction.

1. After passing the first traffic signal at Hoomalu Street, get into the right lane and continue along Moanalua Road (passing Hoolaulea Street) to Waimano Home Road; turn right.

2. Stay in the right lane and travel all the way up Waimano Home Road, passing the Pearl City Cultural Center, until you reach the security guard station situated at the entrance to the Waimano Training School and Hospital grounds.

3. Continue up this narrow road (with several bends) for about three-quarters of a mile.

4. When you see a green "State Laboratories Facility" sign on a chain-link fence, turn right in front of the sign.


5. Proceed to the parking area and park in marked stalls. [Parking is available at the building-level plus on the three tiers above.]
