About Health Care and Health Care Access, these following questions were asked:

A./ Do you have any kind of health care coverage, including health insurance, prepaid plans such as HMOs, government plans such as Medicare?

B./ Medicare is a coverage plan for people 65 or over and for certain disabled people. Do you have Medicare?

C./ What type of health care coverage do you use to pay for most of your medical care?
(Ask people who say "YES" to question A)

There are some types of coverage you may not have considered. Please tell me if you have any of the following:
(Ask people who say "NO" to question A)

1. Your employer
2. Someone else's employer

4. Medicaid or Medical Assistance [or substitute state program name]
5. The military, CHAMPUS, TriCare, or the VA [or CHAMP-VA]
6. The Indian Health Service [or the Alaska Native Health Service]
7. Some other source

E./ Was there a time in the past 12 months when you needed to see a doctor but could not get it?

F./ How long has it been since you last visited a doctor for a routine check-up?

A routine checkup is a general physical exam, not an exam for a specific injury, illness, or condition.

A Health Care Power of Attorney is a written document that lets you designate someone else to make decisions regarding your health care if you get so sick that you can't decide for yourself.

Like any other questions in this survey, answers of these questions are kept confidential.

A./ Have you been pregnant in the last 5 years or are you currently pregnant?

B./ Thinking back to your last or current pregnancy, just before you got pregnant, how did you feel about becoming pregnant?

(Asked women who answered "YES" to question A.)

D./ What kind of birth control you or your spouse/ partner are using now?

People who said they did not use any birth control methods were asked the following question.

E./ What are your reasons for not using any birth control now?

CHRONIC HEALTH CONDITION

To gather information about Chronic Health Conditions among Hawaii population, these following questions were asked.

Asthma

A./ Has a doctor, nurse, or other health professional EVER told you had asthma?

B./ Do you still have asthma?

Diabetes

Has a doctor, nurse, or other health professional EVER told you that you have diabetes?

If "Yes" and respondent is female, ask: "Was this only when you were pregnant?"

Adults who were told they had diabetes were asked the following questions

- How old were you when you were told you have diabetes?
- Are you now taking insulin?
- Are you now taking diabetes pills?
- About how often do you check your blood for glucose or sugar? Include times when checked by a family member or friend, but do NOT include times when checked by a health professional
- About how often do you check your feet for any sores or irritations? Include times when checked by a family member or friend, but do NOT include times when checked by a health professional.
- Have you ever had any sores or irritations on your feet that took more than four weeks to heal?
- About how many times in the past 12 months have you seen a doctor, nurse, or other health professional for your diabetes?
- A test for "A one C" measures the average level of blood sugar over the past three months. About how many times in the past 12 months has a doctor, nurse, or other health professional checked you for "A one C"?
- About how many times in the past 12 months has a health professional checked your feet for any sores or irritations?
- When was the last time you had an eye exam in which the pupils were dilated? This would have made you temporarily sensitive to bright light.
 1. Within the past month (anytime less than 1 month ago)
 2. Within the past year (1 month but less than 12 months ago)
 3. Within the past 2 years (1 year but less than 2 years ago)
 4. 2 or more years ago
 5. Never
