| 2:30 p.m. - 4:30 p.m.   | Industrial Stormwater Permits                           |

*Note: All NPDES general permit coverage will expire midnight, October 21, 2012, or when the general permits are readopted (whichever comes sooner). The Department of Health, Cleanwater Branch expects approximately 1400 NGPCs that have to be renewed. The Cleanwater Branch will be using the e-Permitting System for all of the renewals of NOIs. This system is new for the public and for the Cleanwater Branch staff, and there are many changes.*
