

**Department of Health, Clean Water Branch
e-Permitting Training Registration Form**

The State Department of Health (DOH) is providing an overview of DOH’s new e-Permitting System Portal. The same training will be held on both days, but space is limited.

Why is this important? All NPDES General Permits will expire at midnight on Sunday, **October 21, 2012** or when amendments to the general permits are adopted, whichever occurs first. To continue coverage under the NPDES General Permit, the “2012 Renewal Notice of Intent Form” **must** be submitted via the **e-Permitting Portal**.
