

## **Maliko Bay (Storet # 709)**

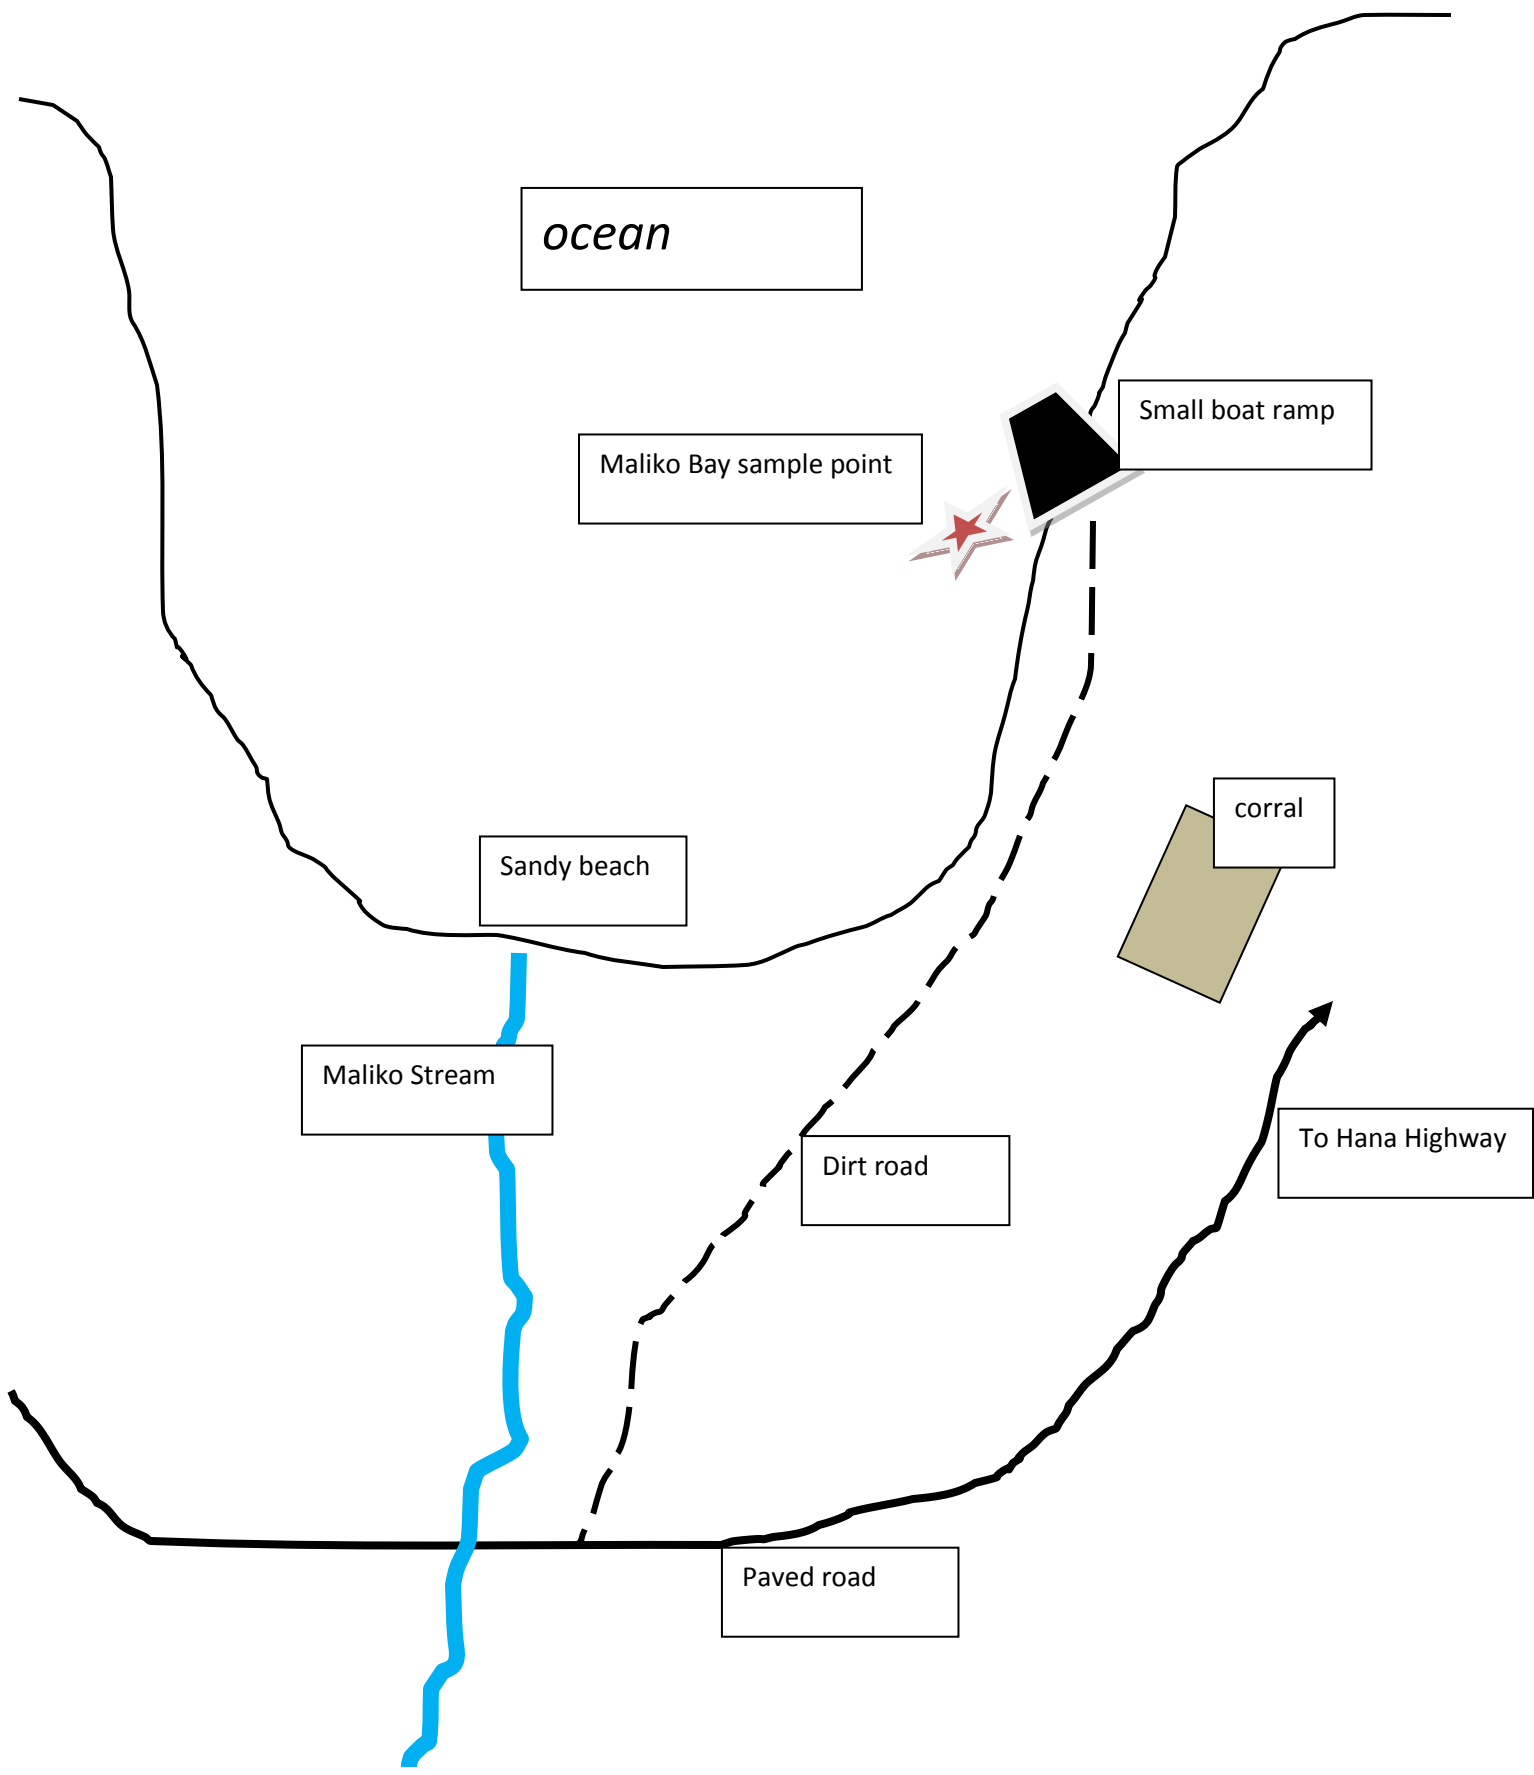

**Lat/Long:** N20°56'11.2"  
W156°20'21.0"  
(NAD83; ±7m)

### Comments:

Receives discharges from Mailko Gulch, which usually only flows after heavy rains. There is a small boat ramp in the eastern corner of the bay, but the ramp has been condemned by DLNR. The sampling point is located to the left of the ramp.
