

## Waipulani (Storet # 713)

**Lat/Long:** N20°45'18.5"  
W156°27'34.2"  
(NAD83; ±7m)

### Comments:

Excessive amount of seaweed is a problem for this area of Kihei. The sample site is located in front of Waipulani Park. The shoreline is "cleaned" by a private contractor, who stock piles the raked seaweed along the high tide mark.
