

2009 ACCESSIBLE DESIGN AWARDS

Public Design – Award of Merit Ke Ala Hele Makalāe – Phase II County of Kaua'i, Department of Parks & Recreation

This multi-use bicycle and pedestrian path runs from Kapa'a Lihī Park to Kuna Bay is "the path that goes to the coast" and is approximately 4.3 miles. As with the first phase the route traverses a very scenic yet changing environment, running along the rugged coastline as well as a more urbanized area. Comfort stations along the path also provide shower/rinsing areas, while pavilions are dispersed along the route to provide scenic views, picnic areas and shelter.
