Are you interested in helping expand and maintain a Mobile App to assist individuals with disabilities locate accessible parking stalls?

If you are ... The Disability and Communication Access Board (DCAB) has an opportunity for you. DCAB is looking for an individual who is interested in supporting and maintaining an Accessible Parking Locator App. The purpose of this App is to locate a parking space that is usable to individuals with a mobility disability who have an accessible parking permit. The current database file includes 503 individual photos. Locations include state and county facilities, medical providers, shopping malls and heavily frequented private businesses. (Please visit the App at "dpark.us" on any search engine, or download on to your IOS/Android phone from the free App Store to familiarize yourself with the offerings of the Accessible Parking Locator App.)

The individual will be responsible to maintain the current App, edit new picture/location submittals, and update submittals that have been changed or eliminated. The individual will conduct duties on their own time, approximately 10 hours per week. DCAB would also like the individual to travel to different locations within the community/state to upload new pictures to expand the database files.

The individual must have his/her own IOS or Android phone for taking pictures and a computer to edit photos and database files. If individual does not have a computer DCAB is willing to negotiate and arrange provision of a working computer. The individual will work from home.

DCAB will pay a small stipend for your services and certain travel expenses to take photos.

If you are interested in this position please contact Bill Nakamatsu at parking@doh.hawaii.gov or (808) 586-8121.
