# VACCINE POINTS

---

“Vaccine Points” is a bi-monthly communication distributed by the Hawaii Department of Health to all participating Vaccines for Children (VFC) providers.

## Measles 2015: Situational Update, Clinical Guidance, and Vaccination Recommendations

The Hawaii VFC Program conducted a webinar on April 7, 2015. Topics included:

- Current measles situation in the United States, including Hawaii;
- Clinical presentation of measles;
- Clinical guidelines for patient assessment and management;
- Vaccination recommendations;
- Resources available for clinicians;
- Hawaii vaccine-preventable disease reporting requirements;
- Hawaii-specific laboratory testing requirements; and
- Department of Health protocols for contact tracing and investigations.
