

IMPORTANT NOTICE!

By the ***FIRST DAY OF SCHOOL***, all new students to any public and private school in the State of Hawaii must have:

1) Tuberculosis (TB) clearance

AND

2) A completed Student Health Record

- Physical examination (PE)
- All required immunizations

OR a medical appointment card to complete missing immunizations **or PE from your child's doctor.**

Students missing either of these requirements will ***NOT*** be permitted to enter school on the first day.
