

Every child with special needs is identified and effectively provided services through the following guiding principles:

- *in partnership with families*
- *in communities where they live*
- *in respect of their cultural values; and,*
- *in the spirit of Aloha*

Services are delivered consistently to every child and family regardless of where they live incorporating the following criteria:

- *accessibility*
- *comprehensiveness*
- *flexibility*
- *quality*
- *timeliness*
