

# Recycle Your Electronics!

## What we accept:

**ANYTHING** with an electronic circuit board except household appliances (like air conditioners).

## This includes:

- Computers
- Anything that attaches to a computer
- Televisions
- Anything that attaches to a television
- Copiers
- Game Systems
- ALL phones
- ALL AUDIO
- And much more!

Electronics contain hazardous materials and must be recycled properly!

## Ecycling Facts:

Maui County reuses and recycles more than 600 tons of electronics every year.

Ecycling collects electronics on Molokai Tuesday to Saturday at the Landfill!

We run an Ecycling event each spring on Lanai!

Refurbished Ecycling machines have gone to help more than 100 non-profits in Maui County and more than 360 school children.

If you can get your large TV and other electronics to our yard, we will off-load it for you!

If you are a nonprofit, be sure to tell us your electronic needs. We'll do what we can to get you the equipment you need – for free. We regret we cannot predict when that might occur as we do not control the material intake!

**Central: 901 Lower Main St, Wailuku, HI 96793**
