

You are invited to be a part of Hawai'i's  
suicide prevention and awareness efforts!

## ASIST : *Applied Suicide Intervention Skills Training*

ASIST is a suicide prevention training. Requiring two full days of participation, it is a very interactive and informative workshop. It prepares those in the community who are willing and able to be a caregiver by teaching them how to conduct a suicide risk assessment and establish a safety plan with a person having thoughts of suicide. The training uses a variety of methods including videos, group discussion and role play in order to prepare you to be a care-giving resource within your community.

**Wednesday, October 29<sup>th</sup> AND Thursday, October 30<sup>th</sup>  
at Queen Lili'uokalani Children's Center**

1300 A Halona Street  
Honolulu, HI, 96817

**7:30 am – 4:30 pm for BOTH days.**

Please be on time. Late-comers may be turned away.

Attendance for both days of the workshop is required for certification.

Registration is required in order to attend.

**Please register here: <https://OahuAsistOct29-30.eventbrite.com>**

The training and materials are provided without cost to all participants, so meals or refreshments are not provided. There will be ample time for lunch to be retrieved off-site, or you may bring lunch with you to the training.

Please note that those who have experienced a recent loss to suicide may find attending suicide prevention trainings very difficult and are cautioned against participating. For survivor resources, feel free to contact us.
