

You are invited to be a part of Hawai'i's suicide prevention and awareness efforts!

safeTALK: *Tell, Ask, Listen and Keep Safe*

This **four-hour workshop** will prepare you to recognize and support a person with thoughts of suicide. You will become a “safeTALK-trained suicide alert helper,” which will allow you to move beyond the common tendency to dismiss or avoid suicide. This training will provide instruction in how to properly connect a person with thoughts of suicide to intervention caregivers.
