Drinking Water/Groundwater/Wastewater Professional(s):

The Department of Health - Safe Drinking Water Branch, Department of Land and Natural Resources - Commission on Water Resource Management, and the Department of Water Supply, County of Hawaii invites you to register to attend the 3rd Annual Joint Government Water Conference, themed "Implementing Hawaii Water Plans". The Conference is intended to provide water industry personnel, government agencies, and other water related organizations with an overview of some of the activities and research being conducted by various water agencies. In addition, we have invited several other water related agencies to give presentations on their activities and how it relates to or concerns our water systems and water-related activities. This conference will allow participants to keep abreast of the activities of the water related government agencies, meet our staff and other water system personnel, ask questions and provide us with feedback, and learn what is in store for the drinking/ground water industry in the coming years. We look forward to your attendance at our 3rd Annual Joint Government Water Conference.
