## ADMINISTRATOR'S REPORT May 2011

### Subarea Health Planning Councils (SACs) Activities

Subarea health planning council members in Kauai, Maui, and Hawaii counties have not met due to budgetary concerns.

**Kauai** No meeting in April.

**Honolulu** At the April 7, 2011 meeting – Arcadia, in partnership with Na Pu'uwai (Native Hawaiian Health Care System on Molokai), is helping build capacity to ensure that appropriate long-term care services are available for local Kupunas to reach their desired health outcomes. The vision is to provide: 1) a multi-use/function facility with supportive services, 2) skilled nursing facility services (but not within a nursing home), 3) more "home care", and 4) more choices and resources for families. This partnership developed a workforce training program (i.e. interdisciplinary therapeutic aide certificate program). It also developed video teleconference capabilities between Arcadia (Honolulu), Na Pu'uwai office, and the Senior Enrichment Center of Home Pumehana (Molokai), and Ke Ola Hou O Lan'i (Lana'i). The next meeting will be held on June 2, 2011.

**West Oahu SAC &  
Windward Oahu SAC** No meeting in April.

**Maui** No meeting in April.

**Hawaii** No meeting in April.
