CERTIFIED MAIL, RETURN RECEIPT REQUESTED

Don Olden
CEO
Wahiawa General Hospital
128 Lehua Street
Wahiawa, HI 96786

Dear Mr. Olden:

The State Health Planning and Development Agency has evaluated Wahiawa General Hospital's Certificate of Need application #10-05A for the for the addition of: one medical/surgical bed, one intensive care/critical care unit bed, four skilled nursing facility/intermediate care facility beds and the deletion of: eight obstetric beds, at a capital cost of \$6,000.

Pursuant to Title 11, Chapter 186 of the Hawaii Administrative Rules (HAR), the Agency has determined that:

- (a) The proposal is eligible for administrative review as it meets the criterion in HAR 11-186-99.1(b)(6), i.e.: "any proposal which is determined by the agency not to have a significant impact on the health care system."
- (b) The applicant, Wahiawa General Hospital, has proven by a preponderance of the evidence that its proposal meets the Certificate of Need criteria in HAR 11-186-15.
- (c) There is no compelling public interest which will be served by requiring the application to go through the standard review process.

As required under Section 323D-43(b), Hawai'i Revised Statutes (HRS), the Agency finds that:

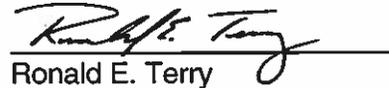

1. There is a public need for this proposal.
2. The cost of this proposal will not be unreasonable in light of the benefits it will provide and its impact on health care costs.

Accordingly, the State Health Planning and Development Agency hereby APPROVES and ISSUES a Certificate of Need to Wahiawa General Hospital for the proposal described in Certificate of Need application #10-05A. The maximum capital expenditure allowed under this approval is \$6,000.
