Aloha,

Hot off the press! Here is your copy of the SHPDA Health care Utilization Report—
2004 Data.

This report contains actual utilization data for the period January 2004 through December 2004. The report is most commonly used by corporate development professionals, law firms, consultants, accounting firms, marketing and advertising agencies, researchers, the media and anyone interested in Hawaii's health care industry to help our communities become healthier and to develop Hawaii's health care future.

Data is also available at our web site at www.hawaii.gov/health/shpda/sh04toc.htm. Any updates and revisions to the tables will be accessible on the SHPDA web site.

Thank you to everyone who contributed to this report!

With best regards,
