Located in historic Wailuku town and housed in the former Ooka Supermarket, the Malama I Ke Ola Health Center is still a work in progress. Besides the new space WIC occupies, the Community Clinic of Maui, dba Malama I Ke Ola Health Center, will expand its Pediatrics, Obstetrics, Dental, and Adult Medicine departments and will eventually incorporate a lab, x-ray, and pharmacy to better serve the Maui community in a one-stop-shop.

WIC Appointments are available during office hours, walk-ins will be determined on a case to case basis. A nutritionist aide or Registered Dietitian is available at all appointments. This is a breastfeeding friendly environment and the staff is always ready to assist you in any way we can. We can also refer you to other agencies or programs that can further take care of your needs. We hope to offer group classes in the near future.
