Kauai WIC provides nutrition, breastfeeding and health education, supplemental foods and referral services for the entire island of Kauai. We have 3 clinic sites accessible by bus; Lihue (Monday through Friday), Hanapepe (Tuesdays only), and Kapaa (Thursdays and Fridays only). We have bilingual staff that can speak Ilocano, Tagalog, and Hungarian and can provide other language interpreters and hearing impaired services upon request. Our Nutritionist is a Registered Dietitian and a Certified Lactation Counselor. We also have a Breastfeeding Coordinator who can help with breastfeeding, breast pump needs, advocacy with pumping in the workplace, and one-on-one clinic or home visits by appointment only. Kauai WIC also provides referrals to other programs such as Med-QUEST, SNAP, TANF, Public Health Nursing, Easter Seals, Child and Family Services Prenatal Support, Free Smoking Cessation Classes and more! Appointments preferred but walk-ins are welcome.
