To the Administrative Director:

Subj: 120 DAY SHORT-LONG TERM RELEASE RESPONSE REPORT

1. On October 27, 1998 Fleet and Industrial Supply Center (FISC) provided notification regarding a substance found below Tank 16 at the Red Hill Underground Fuel Storage Complex. This letter is intended to meet the 120-day follow up reporting requirement and provides presently available information.
2. An initial draft report written by Ogden Environmental and Energy Services Co., Inc. has been provided to FISC. We are currently providing comments about the report to our consultant and will be meeting with them this week to finalize the report. The final report is expected in approximately two weeks at which time it will be forwarded to you.
3. If you have any questions or comments, please contact Mr. Clyde Yokota, Regional Environmental Manager, telephone 474-7107.

Sincerely,

B. L. KNOTT  
Lieutenant Commander, U. S. Navy  
Director, Fuel Directorate  
By direction of the  
Commanding Officer
