Dear Vice Admiral Wade:

SUBJECT: JTF-RH Quality Validation Report Repair No. DEF 001

The Hawaii Department of Health (DOH) acknowledges receipt via email on November 3, 2023, of the Joint Task Force – Red Hill's (JTF-RH's) quality validation report for Repair No. DEF 001. We also received the redacted version of the report on November 9, 2023.

Based on the information submitted, the Quality Validation Engineer's certification on the repair's completion, and the DOH's walkthrough of Repair No. DEF 001 on November 7, 2023, the DOH approves the submission with the understanding that any future or on-going testing or assessment performed on the infrastructure does not produce failed results or the determination of additional needed repairs.

Should you have any questions regarding this letter, please contact Ms. Kelly Ann Lee, Red Hill Project Coordinator, at (808) 586-4226 or kellyann.lee@doh.hawaii.gov.

Sincerely,
