Notice of Suspension AMHD Performance Improvement Provider Monitoring Reports

This communication serves as notification that the Adult Mental Health Division (AMHD) will temporarily suspend the distribution of the 2012 Performance Improvement (PI) provider monitoring reports, effective immediately.

AMHD is temporarily suspending the monitoring reports until such a time that AMHD staffing vacancies can be filled. We were recently granted approval to fill several key positions that will assist us with the continued review and processing of the reports. We anticipate that this suspension will be lifted before the end of this calendar year at the latest.

In the interim, AMHD requests your comments and feedback on the enclosed survey. The survey is in regards to the overall AMHD performance improvement monitoring process. Your time to complete and return the form is much appreciated, and your honest feedback and comments are welcomed.

Please contact Ms. Dawn Mendiola if you have any questions regarding this communication and survey. She may be reached at (808) 586-4689 or email at dawn.mendiola@doh.hawaii.gov.

Thank you in advance for your cooperation and support.
