# Questions

- How have your programs adjusted to the ongoing COVID-19 pandemic?
- Are there any specific trends in services that you are seeing that you would like to let us know about?
- Do you have any specific concerns or need for guidance that has not been addressed through BHHSURG or through your contract administrator?
- Are there specific resources or topics that you feel would be helpful to see in future webinars? For example, would it be helpful to share information about sex trafficking resources, resources for LGBTQ populations, information about systemic racism, etc.

# Questions (cont'd)

- With telehealth being the new norm on delivering services, how does your agency envision incorporating telehealth services to your program?
- What barriers/challenges have you been facing during this season to continue to provide behavioral health services in the communities?
- What are some of your lessons learned or main takeaways as we continue to go through this season?
