

Provider & Stakeholder Questions and Answers (Q&A)

Updated: 2020-08-03 | **SUBJECT TO CHANGE**

Other Topics	Does anyone know if the parks and rec divisions been able to keep the restrooms stocked with soap? Pre COVID it was not uncommon for public restrooms to not have TP and/or soap.	We have been working with bathroom brigades as well as mobile hygiene trailers on the neighbor islands and Oahu. Outreach providers have also been putting together hygiene kits that have soap and basic hygiene products that they pass out at different encampments.
