The CAMHD Safe Spaces Committee (SSC) is a council of CAMHD staff and community members whose mission is to create and maintain an LGBTQ+ affirming system of mental health care for youth, that advances inclusive practices and accepting attitudes, embraces diversity, and providers education to the larger community. The SSC is dedicated to examining and improving policies, practices, and competencies of the CAMHD and its contracted providers. The SSC seeks to promote best and promising measurement-based practices of the broader system of care for the mental health treatment of LGBTQ+ youth and their families.
