PROVIDER RELATIONS LIAISON

CAROL EVANS

CAMHD PROVIDER RELATIONS LIAISON

The CAMHD recognizes that our contracted provider agencies and their staff play an important and vital role in the provision of quality services to our consumers. This role calls for a strong partnership between CAMHD and its contracted network of providers.

The CAMHD Provider Relations Liaison serves as CAMHD's continuous communication linkage with the providers to promote positive relationships and satisfaction with the CAMHD staff, including its Family Guidance Centers. The broad goal of Provider Relations Liaison is to strengthen the relationship between CAMHD and its network of contracted providers.

If a provider agency or one of its staff has an issue or concern regarding their contracted provision of services, the agency or staff may submit the issues by phone (808-733-9857), e-mail (carol.evans@doh.hawaii.gov), U.S. Postal Service (to the Provider Relations Liaison at 3627 Kilauea Avenue, Honolulu, Hawaii 96816). The fax is: 808-733-9357.

Issues or concerns must contain at minimum:

- Providers Name
- Providers Contact Information
- Clear Explanation of the Issue/Concern
- Providers Position on Such Issue/Concern

CAROL EVANS

Provider Relations Liaison

Child & Adolescent Mental Health Division
3627 Kilauea Ave., Room 101
Honolulu, HI 96816

Facebook & Instagram: @CAMHDhawaii

The Provider Liaison will acknowledgment receipt of the issue/concern and will respond back to you, if the issue or concern has been referred to a specific department, specializing in your area of concern/need, the Provider Liaison will follow-up to insure the issue/concern has been resolved.

Below is a description of the activities and services of the Provider Relations Liaison:

- Resolve Provider Related Issues;
- Review issues in light of patterns/trends for improvement opportunities and from the perspectives of both CAMHD and the providers and bring them to the attention of the various CAMHD Sections and Leadership;
- Assist and support providers to effectively and efficiently work through the labyrinth of CAMHD processes and systems;
- Respond to Provider inquiries and concerns regarding CAMHD policies and procedures.
- To communicate CAMHD activities that impact the providers through coordinating the annual Provider Satisfaction Survey and the twice yearly Data Party, as well as, through routinely scheduled provider meetings.

**U1 UH CENTER FOR
COGNITIVE THERAPY
(A CAMHD UNIQUE
AFFILIATE)**

Dr. Brad Nakamura, Co-Director

The Child Section of the CCBT (C-CCBT) currently offers psychological assessment and treatment services for youth and their families. The C-CCBT has special expertise in the psychosocial treatment of childhood anxiety, depression, trauma, inattention/hyperactivity, oppositional behaviors. Under the supervision of directors and licensed psychologists Charles Mueller and Brad Nakamura, C-CCBT graduate students and post-doctoral fellows provide all intervention services, including brief consultations, child therapy, parent education and training in both individual and group formats. These evidence-based services (see the State of Hawaii's Help Your Keiki website for more information on youth problems and supported treatment approaches) can be delivered in the clinic and/or at the youth's home or school. Assessments and treatment arranged by the State of Hawai'i Departments of Education or Health are free for clients. Self-referred clients are offered a sliding fee scale. No third party insurance is accepted.

**U2 UH SCHOOL OF
PSYCHIATRY (A CAMHD
UNIQUE AFFILIATE)**

Anthony Guerrero, M.D.,
Chair

The Department of Psychiatry provides psychiatric teaching and training to medical students, residents in General Psychiatry, Child and Adolescent Psychiatry, and Geriatric Psychiatry; and psychiatric services throughout Hawai'i.
