## STRATEGIC PLAN 2023-2026 PRIORITIES & GOALS

### Access to Mental Health Care

Increase and expand accessibility and reduce health disparities for all youth in need of mental health services.

### Data-Driven Decision-Making

Enhance our mental health system by using data and evidence to appropriately meet the needs of youth and their families.

### Prevention (1°, 2°, and 3°)

Actively promote primary, secondary, & tertiary prevention.

1° Prevention = before disorders;  
2° Prevention = early stages of disorder; and  
3° Prevention = after crisis
