			<p>Lopez responded that translation of materials will be the next priority focus.</p> <p>Irvin added that the approach being used by the Division to ensure that community outreach and public health education happens for COVID - 19 will also be applied to the Hawaii Tobacco Quitline.</p>
<b>Request for Public Comment</b>	Chair Wang made request for Public Comment.		<p>Haro announced American Lung Association will be conducting a community assessment which includes the area of tobacco control to determine if there are any gaps in services. DOH will be included. Maybe also some advisory board members. The results will be published in March-April of 2021.</p> <p>La Chica shared changes to legislative hearing process this session. An account will need to be created on the State Capitol website to receive Zoom links for legislative hearings in order to submit testimony.</p> <p>Federal COVID Relief bill also included e-cigarettes being swept into the PACT act restricting shipping e-cigarettes through the U.S. Postal Service.</p> <p>Cynthia Au from the American Cancer Society (ACS) introduced herself. She will be attending board meetings on behalf of ACS.</p> <p>Gloria commented that he hopes we'll use this opportunity with hearings being conducted over Zoom to mobilize students and youth to testify as Legislators really respond to them.</p>
<b>Adjournment</b>	Meeting was adjourned by Chair Wang at 2:01 pm
