

CLEAN WATER BRANCH SAMPLING STATION INFORMATION

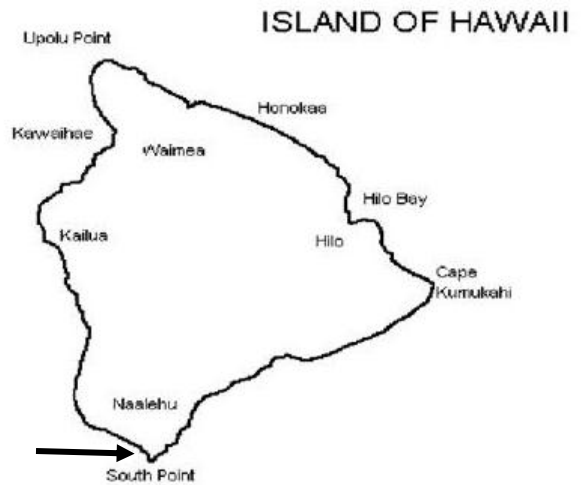

STORET NO.: 001152

LOCATION: Kalae, South Point

LATITUDE: 18° 54' 51.8"

LONGITUDE: 155° 40' 58.5"

DATE: 6/26/09

Description: From Highway 11 in the town of Waiohinu, turn off onto Kamoā Road. Travel approximately four miles to South Point Road. Travel approximately 8.2 miles then veer right onto Kalae Road. Go about ¾ of a mile and look for the boat launching derricks. Sample site is just to the south of the derricks.

Boat launching derrick just off Kalae Road. Sample site to the left.

Take sample from the flat ledge that is halfway down the cliff. Shown by arrow.

Close up of the ledge
