

# CLEAN WATER BRANCH SAMPLING STATION INFORMATION

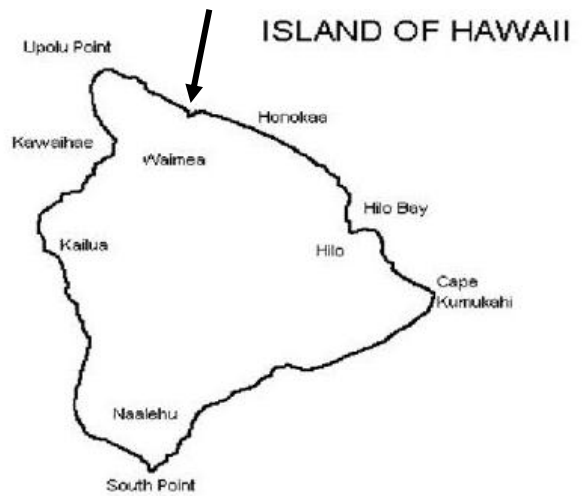

STORET NO.: 001155

LOCATION: Waipio Bay

LATITUDE: 20° 07' 09.6"

LONGITUDE: 155° 35' 20.8"

DATE: 6/16/09

Description: Site located in Waipio Valley. Take the Honokaa-Waipio road (Hwy. 240) to the end at the Waipio Lookout. From the lookout, take the Waipio Valley Road. Road is very steep and you will need to use a four wheel drive vehicle in low gear. Take the road to the bottom and take the first right. Follow the road to the beach. Sample site is located approximately 100 yards east of the river mouth.

Road from Waipio Lookout to the Valley floor. Use four wheel drive in low gear.

Take this first right turn. Road will take you to the beach.

Almost to the end of the road. River is straight ahead and the beach is to the right.

Sample point.
