

FROM SIC TO SECTOR

IDENTIFY YOUR SECTOR

Use the chart on page 346 to match your organization's primary SIC code* with its sector.

READ THOROUGHLY

Identify changes to BMP requirements, stormwater assessment frequency, and sector-specific guidelines.

DOWLOAD THE NEW APPENDIX B

Click [here](https://health.hawaii.gov/cwb/permitting/general-permits/), or click the first link listed at <https://health.hawaii.gov/cwb/permitting/general-permits/>

LOCATE SECTOR GUIDELINES

Return to the Table of Contents. On pages 7-8, locate your organization's subsector within Section 8.

AMEND YOUR SWPPP

Revise your organization's Stormwater Pollution Prevention Plan to reflect these changes.

*If you require assistance with identifying your primary SIC code, please call the CWB Enforcement section at (808) 586-4309.
