

Aloha! This page is no longer available.

We are in the process of upgrading our websites to better serve Hawai'i. Please visit this page for any areas currently under an advisory. <https://eha-cloud.doh.hawaii.gov/cwb/#!/landing>. This **will include** any beaches sampled that require an advisory from elevated bacterial counts.

Questions? Please feel free to contact us at 808-586-4309.
