DISABILITY ACCESS  
CONFERENCE

*Design  
for All*

October 16, 2008

Ala Moana  
Hotel

Honolulu, Hawaii

## Public Design Award of Excellence

*Ferry System Improvements  
Manele Bay Small Boat Harbor*

State of Hawaii  
Department of Land and Natural  
Resources

The Manele Boat Harbor is located in Manele Bay situated on the south coast of Lanai. This project provided much needed improvements and upgrades to the ferry terminal to create a more hospitable, efficient and safer facility that would be accessible to and usable by all residents, commuters and visiting tourists. The design team encouraged public input through group and community meetings and community workshops. The new amenities provide access to all of the facilities, in addition to providing improvements to the site and utilities. Upgrades and improvements were also made to water mains, fire hydrants, sewage pumps and fuel lines while incorporating native landscaping, new lighting and new paved access roads.
