DRAFT DCAB LEGISLATIVE POSITION STATEMENTS 2022 Legislature

Due to the rapid pace of the Legislature and short testimony deadlines that do not always allow for bringing a measure to the attention of the DCAB Legislative Committee, the following position statements will facilitate the timely preparation and submittal of testimony on bills and resolutions during the 2022 Legislature.

The following is not an exhaustive list of issues and positions. It is based on consistency of positions taken on similar issues during the most recent legislative sessions. In addition, there are two new measures that will be introduced.

Parking for Persons with Disabilities

- Support the "Dollar Bill" to fund DCAB's parking program.
- Oppose legislation to revert to "free meter parking" for all permit holders.
- Support legislation to increase the minimum number of parking spaces for persons with disabilities or study the issue.
- Support legislation to improve enforcement, provided that law enforcement is able to implement the provisions.
- Oppose legislation to issue disability parking permits to people solely on the basis of vision loss, pregnancy, age, developmental or mental disability, behavioral, or other non-mobility related condition.
- Oppose legislation to issue disability parking permits to agencies or transportation companies.

Non-discrimination Against Persons with Disabilities/Civil Rights

- Support legislation for the provision of reasonable modification of policies, practices and procedures in state government programs and services to provide for equal access for persons with disabilities (this could impact many different programs).
- Oppose legislation for separate identification cards for people with disabilities in addition to a driver's license or a state identification card.

- Provide comments on the provision of state government services to ensure that the needs of persons with disabilities are taken into consideration without supporting or opposing the underlying service.
- Provide comments on the process of voting to ensure that the needs of persons with disabilities are taken into consideration.
- Support legislation that requires the Senate and the House to permit remote testimony, via telephone, at public hearings.

Communication Access

- Support legislation to maintain or increase captioning provisions in movie theaters; [oppose efforts to reduce requirements established in the law].
- Support efforts to include increased access to online state information (to include, but not be limited to website accessibility, social media platforms, and digital information provided through kiosks or other similar means) with funding for implementation.

Service and Other Animals for Persons with Disabilities

- Support state legislation to clarify state law to be consistent with federal law, but not to exceed federal law in areas such as certification or licensure. Support the interest of individuals with service animals (dogs) when considering legislation to eliminate discriminatory inquiries or practices when entering places of public accommodation.
- Support the interest of individuals with service animals (dogs) when considering legislation to eliminate discriminatory inquiries or practices when entering places of public accommodation.
- Oppose expansion of service animal legislation to assistance animals or other emotional support animals in settings other than housing already required under federal and state law

Building Code, Design, and Facility Access

- Support legislation to increase building accessibility for persons with disabilities that exceed federal guidelines for entities covered by Titles II and III of the ADA.
- Oppose legislation that would require DCAB to perform tasks that DCAB staff have no expertise.

Community Based Services and Employment for Persons with Disabilities

- Support legislation to increase reimbursement for hearing aids.

- Support legislation to require the Department of Human Services (DHS) to establish a Medicaid buy-in program for workers with disabilities.

Transportation and Mobility

- Support legislation following the "DCAB Guiding Principles on the Mobility and Safety of Pedestrians with Disabilities" and "DCAB Guiding Principles on Public Transit Fixed Route Bus and Paratransit Services."

Emergency Preparedness

- Support legislation to ensure the inclusion of persons with disabilities in emergency preparedness efforts; including planning, exercises, notifications, emergency sheltering, and mitigation and recovery efforts.

Administration

- Support legislation consistent with facilitating the operation of DCAB as a Board or Commission.
- Oppose legislation that would change the status of the DCAB Special Fund.

Other

- Support legislation to provide a tax credit or deduction or to exempt or reduce general excise tax on the sale of mobility enhancing equipment or durable medical equipment, hearing aids, prosthetic devices, and prescription drugs sold pursuant to a doctor's prescription when the basis for the acquisition of the item is due to a person's disability.
- Support legislation that includes a representative from DCAB on a task force if the bill or resolution includes a position above and only if there's adequate staffing to attend and participate in meetings. Oppose the legislation if the criteria above are not met.

Parking for Persons with Disabilities

House Bill 2153, Relating to Funding for Parking for Disabled Persons: Creates an accessible parking special account within the disability and communication access board special fund. Increases the state vehicle registration fee by \$1, to be deposited into the accessible parking special account. Requires all costs associated with the statewide parking program for persons with disabilities to be appropriated from the accessible parking special account beginning July 1, 2023. Companion Bill: Senate Bill 3121.

House Bill 1448, Relating to Traffic Fines: Authorizes the respective counties to impose and collect fines for violations of the Statewide Traffic Code, in addition to the fines imposed by the State under Chapter 291C, HRS.

House Bill 1575, Relating to Physician Assistants: Expands the scope of practice for physician assistants. Requires a sampling of medical records, rather than all medical records, to be reviewed when physician assistants prescribe controlled substances.

House Bill 1575 has a similar bill, Senate Bill 2445.

Senate Bill 2445, Relating to Physician Assistants: Expands the authorized scope of practice for physician assistants.

Senate Bill 2540, Relating to Parking for Persons with Disabilities: Requires private businesses selling goods and services to the public, including retail malls and shopping centers, to provide a minimum of 6 per cent of its parking spaces for persons with disabilities. Imposes a penalty for failure to comply. Convenes a task force to review expanding eligibility requirements for disability parking permits.

Non-discrimination Against Persons with Disabilities/Civil Rights

Requires law enforcement officers serving an arrest warrant at a house or a search warrant at a house, store, or other building to audibly declare the officer's office and business and wait at least thirty seconds for compliance before entry. Requires officers serving a warrant to do so while wearing an authorized uniform and activated body-worn video camera.

House Bill 1955, Relating to Discrimination: Establishes provisions relating to civil remedies for discriminatory reporting to a law enforcement officer. Provides that a person who summons or reports to a law enforcement officer, without reason to suspect a crime, offense, or imminent danger has occurred or is occurring, because of that

person's belief or perception involving a member of a protected class shall be civilly liable.

House Bill 2369, Relating to the Model State Right-to Repair law: Requires original equipment manufacturers of digital electronic equipment to make documentation, parts, and tools available to independent repair providers and owners for the purposes of diagnosis, maintenance, and repair on fair and reasonable terms.

Senate Bill 2323, Relating to Policing: Requires officers serving a warrant to declare the officer's office and business and wait thirty seconds before entry into a house, store, or other building, subject to certain circumstances. Requires officers serving a warrant issued by a district court to do so in an authorized uniform and wear and use a body-worn video camera.

Senate Bill 2576, Relating to Law Enforcement: Prohibits the issuance of warrants, including no-knock warrants, that permit entry by an officer to a house, store, or other building without first audibly declaring the officer's office and business. Requires law enforcement officers serving an arrest warrant at a house or a search warrant at a house, store, or other building to audibly declare the officer's office and business and wait at least thirty seconds for compliance before entry. Requires officers serving a warrant to do so while wearing an authorized uniform and activated body-worn video camera.

Senate Bill 2624, Relating to Health: Requires the Department of Health to implement a telehealth pilot project and publish an evaluation report on the telehealth pilot project outcomes. Exempts the telehealth pilot project from the Hawaii Public Procurement Code for a period of 12 months. Clarifies that the period of performance of all procurements made during this temporary exemption shall not exceed the term of the telehealth pilot project. Requires the Department of Health to implement and administer a rural healthcare pilot project to provide physicians serving selected rural areas with an availability fee and reimbursements for certain expenses.

Communication Access

House Bill 1418, Relating to Broadband Service Infrastructure: Defines broadband equity. Clarifies the Hawaii Broadband and Digital Equity Office's duties to promote and support digital equity and broadband deployment.

House Bill 1419, Relating to Electronic Information Technology: Requires the office of enterprise technology services to develop, publish, and periodically update electronic information technology disability access standards to be implemented by state entities.

House Bill 1487, Relating to the Hawaii Tourism Authority: Requires the HTA to create educational videos, educational audio recordings, and supplementary informative paper material to be provided and distributed on incoming commercial flights.

House Bill 1782, Relating to Broadband Service Infrastructure: Allows an electric utility to own, operate, lease, plan, construct, install, maintain, and/or replace broadband facilities, including middle mile infrastructure, to help facilitate the development of and investment in broadband facilities and services to rural, unserved, underserved, and urban communities throughout the State.

House Bill 1892, Relating to the Department of Health: Requires the Department of Health to provide to elderly residents free wireless broadband internet access in parking lots adjoining Department of Health buildings in each county. Appropriates moneys.

House Bill 2386, Relating to Elections: Requires the Office of Elections to prepare a digital voter registration guide to be posted on its website. Requires the Office of Election to mail a notice with each ballot notifying voters that a voter information guide may be found on its website. Makes an appropriation.

Senate Bill 2076, Relating to Broadband Service Infrastructure: Defines broadband equity. Clarifies the Hawaii Broadband and Digital Equity Office's duties to promote and support digital equity and broadband deployment.

Senate Bill 2144: Relating to Electronic Information Technology Accessibility for Persons with Disabilities: Requires that all electronic information technology developed, purchased, used, or provided by a state entity be made accessible to persons with disabilities. Requires the Office of Enterprise Technology Services, in consultation with the Disability and Communication Access Board and a working group comprising stakeholders, to develop and publish electronic information technology accessibility standards to be implemented by all state entities. Requires review and amendment of the standards every 3 years after the date of publication, or as needed, to reflect advances or changes in information technology.

Senate Bill 2208, Relating to Tourism: Requires the Hawaii Tourism Authority, in collaboration with the Department of Land and Natural Resources, to implement and administer tourism related initiatives that are designed to educate visitors on the State's protected areas and wildlife, including public service announcement videos to be shown by transportation companies. Requires aircraft and vessel passengers to complete "Promise to Preserve and Protect Hawaii's Environment" declaration forms. Requires transportation companies to distribute and collect declaration forms for delivery to the Department of Land and Natural Resources.

Senate Bill 2981, Relating to Broadband: Makes an appropriation to expand access to broadband in the State.

Senate Bill 3212: Relating to Telecommunication: Requires the Office of Enterprise Technology Services to establish a working group to conduct a study to identify state office buildings that can provide equitable telecommunication access to allow residents of the counties of Hawaii, Kauai, and Maui, and rural areas of the City and County of Honolulu, including residents with disabilities, to participate remotely in legislative

hearings. Requires a report to the Legislature. Dissolves the working group on 6/30/2023.

Senate Bill 3226: Requires the Office of Elections to prepare a digital voter registration guide to be posted on its website. Requires the Office of Election to mail a notice with each ballot notifying voters that a voter information guide may be found on its website. Makes an appropriation.

Senate Bill 3341, Relating to the Hawaii Broadband and Digital Equity Office: Amends the Hawaii Broadband and Digital Equity Office's duties, including requiring the office to prioritize the access to broadband in rural areas of the State.

Service and Other Animals

House Bill 1944, Relating to Service Animals: Requires that a disclaimer be provided by sellers or providers of emotional support animals or certificates, identifications, tags, vests, leashes, and harnesses for emotional support animals that the animal is not a service animal. Establishes penalties.

House Bill 2271, Relating to Assistance Animals: Defines "assistance animal" for purposes of the State's fair housing laws. Clarifies the type of verification a person with a disability must provide to request an assistance animal as a reasonable housing accommodation.

House Bill 2319, Relating to Service Animals: Requires the department of agriculture to be responsible for all neighbor island inspection permit fees for service animals that are located in the State and are being transported for release at Kona, Kahului, or Lihue airports.

Senate Bill 2002, Relating to Fair Housing Reasonable Accommodations: Codifies the administrative rule definition of "assistance animal". Clarifies the type of verification an individual may provide to substantiate a reasonable accommodation request for a specific assistance animal. Specifies that possession of a vest or other distinguishing animal garment, tag, or registration document commonly purchased online and purporting to identify an animal as a service animal or assistance animal does not constitute valid verification of a disability-related need for an assistance animal.

Senate Bill 2194, Relating to Service Animals: Specifies that anxiety and emotional disorders are disabilities for which service animals may be trained to assist. Permits animals that provide emotional support to qualify as service animals.

Senate Bill 2429, Relating to Service Animals: Requires a tenant to disclose to a landlord their ownership of a service animal. Provides for a penalty for a tenant's failure to disclose.

Senate Bill 2438, Relating to Service Animals: Requires that a disclaimer be provided by sellers or providers of emotional support animals or certificates, identifications, tags, vests, leashes, and harnesses for emotional support animals that the animal is not a service animal. Establishes penalties.

Building Code, Design, and Facility Access

House Bill 1729, Relating to Affordable Housing: Extends to ninety days the amount of time within which a county legislative body must approve, approve with modification, or disapprove an affordable housing project after HHFDC has submitted the preliminary plans and specifications. Deems the project to be approved on the ninety-first day if not previously disapproved by the county legislative body.

House Bill 1836, Relating to Housing: Establishes expedited county approvals for district boundary amendments for affordable housing projects on land areas fifteen acres or less. Requires consultation with the Hawaii community development authority for affordable housing development within designated community development districts.

Senate Bill 2192, Relating to Housing: Extends the timeframe given to the county councils to approve, approve with modification, or disapprove an affordable housing project submitted for review pursuant to section 201H38(a), Hawaii Revised Statutes, from forty-five days to sixty days.

Senate Bill 2425, Relating to Accessibility: Requires a retail establishment with an employee toilet facility to allow a customer suffering from an eligible medical condition to use that restroom during normal business hours, under certain conditions. Exempts a retail establishment and employees from civil liability in allowing an eligible customer to use an employee toilet facility. Establishes fines.

Senate Bill 2493, Relating to Planning: Requires counties to affirmatively further fair housing and conduct certain assessments to combat discrimination and overcome patterns of segregation. Requires counties to amend their general plans to accommodate housing-related policies adopted pursuant to this Act.

Senate Bill 2530, Relating to the Department of Health: Requires the Department of Health to adopt rules requiring any property having more than 1 food establishment on the property to make available to customers restroom facilities or toilets, or both, and handwashing sinks.

Senate Bill 2913, Relating to Accessibility: Requires a retail establishment with an employee toilet facility to allow a customer suffering from an eligible medical condition to use that restroom during normal business hours, under certain conditions. Exempts a retail establishment and employees from civil liability in allowing an eligible customer to use an employee toilet facility. Establishes fines.

Community Based Services and Employment

House Bill 1406, Relating to Improving Access to Psychiatric Care for Medicaid Patients: Specifies that coverage for telehealth under the State's medicaid managed care and fee-for-service programs includes psychiatric services delivered via telehealth through a behavioral health care manager who is present in a primary health care provider's office.

House Bill 1506, Relating to Family Leave: Requires the department of labor and industrial relations to establish and administer a family leave insurance program. Provides family leave insurance benefits and extends the period of family leave to 16 weeks for businesses that employ one or more employees who meet the hourly qualifications. Appropriates funds.

House Bill 1622, Relating to the Employment of Persons with Disabilities: Establishes Employment First as a state policy for persons with disabilities. Requires state and county agencies to implement Employment First in hiring and in all programs and services administered or funded by the State or counties. Applies Employment First principles to Medicaid home- and community-based waiver programs.

House Bill 1634, Relating to Telehealth: Prohibits health insurers, mutual benefit societies, and health maintenance organizations from excluding coverage of a service solely because the service is provided through telehealth and not through face-to-face contact. Requires parity between telehealth services and face-to-face services for purposes of deductibles, copayments, coinsurance, benefit limits, and utilization reviews.

House Bill 1665, Relating to Health: Establishes a core state behavioral health crisis services system. Provides for the designation of 1 or more crisis hotline centers to provide crisis intervention services and crisis care coordination to individuals accessing the suicide prevention and behavioral health crisis hotline.
