Review Remote Meeting Procedures
 - This meeting is being recorded.
 - A quorum of Committee members is required to be visible on screen.
 - Raise hand to speak unless called upon.
 - Identify yourself before speaking.
- II. Introductions
- III. Statement from Public and Written Testimonies Submitted
- IV. Approval of Legislative Committee Memo of January 24, 2024.
- V. DCAB Legislative Positions Relating to 32nd Legislature, 2024 Bills

Parking

- Oppose legislation to revert to "free meter parking" for all permit holders.
- Support legislation to increase the minimum number of parking spaces for persons with disabilities or study the issue.
- Support legislation to improve enforcement, provided that law enforcement is able to implement the provisions.
- Oppose legislation to issue disability parking permits to people solely on the basis of vision loss, pregnancy, age, developmental disability, behavioral, or other non-mobility related condition.
- Oppose legislation to issue disability parking permits to agencies or transportation companies.
- Support legislation to authorize the counties to enforce design requirements for accessible parking.

Non-discrimination Against Persons with Disabilities/Civil Rights

- Support legislation for the provision of reasonable modification of policies, practices and procedures in state government programs and services to provide for equal access for persons with disabilities (this could impact many different programs).
- Oppose legislation for separate identification cards for people with disabilities in addition to a driver's license or a state identification card.

- Provide comments on the provision of state government services to ensure that the needs of persons with disabilities are taken into consideration without supporting or opposing the underlying service.
- Provide comments on the process of voting to ensure that the needs of persons with disabilities are taken into consideration.
- Support legislation that requires the House and Senate to permit remote testimony, via telephone, at public hearings.

Communication Access

- Support legislation to maintain or increase captioning provisions in movie theaters.
- Support efforts to include increased access to on-line state information (to include, but not be limited to website accessibility, social media platforms, and digital information provided through kiosks or other similar means) with funding for implementation.

Service and Other Animals

- Support state legislation to clarify state law to be consistent with federal law, but not to exceed federal law in areas such as certification or licensure.
- Support the interest of individuals with service animals (dogs) when considering legislation to eliminate discriminatory inquiries or practices when entering places of public accommodation.
- Oppose expansion of service animal legislation to assistance animals or other emotional support animals in settings other than housing already required under federal and state law.

Building Code, Design, and Facility Access

- Support legislation to increase building accessibility for persons with disabilities that exceed federal guidelines for entities covered by Titles II and III of the ADA.
- Oppose legislation that would require DCAB to perform tasks that DCAB staff have no expertise.
- Support legislation to increase building accessibility for persons with disabilities that exceed federal guidelines for entities covered by the Fair Housing Act (example, require elevators, require a percentage of units be on ground floor).

Community Based Services and Employment

- Support legislation to increase reimbursement for hearing aids.
- Support legislation to require the Department of Human Services (DHS) to establish a Medicaid buy-in program for workers with disabilities.

Transportation and Mobility

- Support legislation following the "DCAB Guiding Principles on the Mobility and Safety of Pedestrians with Disabilities" and "DCAB Guiding Principles on Public Transit Fixed Route Bus and Paratransit Services."

Emergency Preparedness

- Support legislation to ensure the inclusion of persons with disabilities in emergency preparedness efforts, including planning, exercises, notifications, emergency sheltering, and mitigation and recovery efforts.

Administration

- Support legislation consistent with facilitating the operation of DCAB as a Board or Commission.
- Oppose legislation that would change the status of the DCAB Special Fund.

Other

- Support legislation to provide a tax credit or deduction or to exempt or reduce general excise tax on the sale of mobility enhancing equipment or durable medical equipment, hearing aids, prosthetic devices, and prescription drugs sold pursuant to a licensed practicing physician's prescription when the basis for the acquisition of the item is due to a person's disability.
- Support legislation that includes a representative from DCAB on a task force if the bill or resolution includes a position above and only if there is adequate staffing to attend and participate in meetings. Oppose the legislation if the criteria above are not met.
