File:

On November 16, 2016, the Developmental Disabilities Division mailed surveys to assess the State's current compliance with the new HCBS regulations. The surveys were due on November 30, 2016. You are receiving this letter because the survey sent to you has not been received to date. **This is a reminder that participation in this assessment is mandatory. It is extremely important that surveys are submitted timely as it may affect your participant's continued receipt of Medicaid waiver services.**

Please return this survey in the enclosed postage-paid return envelopes by **December 23, 2016**. If you have any questions, please contact your certifier:

Renee Bailey 453-6309  
William Landford 453-6411  
Diane Quisano 453-6410

In addition, please visit [www.med-quest.us](http://www.med-quest.us) as DHS continues to update our website with information on the transition plan.

Thank you in advance for your participation and your input is greatly appreciated!

Sincerely,

Sharon Adric  
Compliance Section Supervisor
