Who is Acumen? What Do We Do?

At Acumen, we support individuals, employers, and employees in taking charge of their supports and services in the self-directed option. Our friendly staff members are experienced professionals who specialize in accounting, payroll, taxes, budgeting, and customer service. However, it's our Human Services background that makes us truly special.

*"I don't know anything about
being an employer."*
Don't worry! We'll train you!

Acumen offers a variety of training options that are sensitive to learner preferences. Training can be web-based, on site, or over the phone. We customize training to meet your needs.

**At Acumen,
we don't just hear you —
we listen.**

When you team up with Acumen, outstanding customer service comes standard. You receive unmatched support at a reasonable cost and your experience will exceed your expectations.

**Worry Free
Enrollment**

**As part of our value-added enrollment
process, Acumen tracks hiring
prerequisites so that only those who
have met established eligibility
requirements are cleared for hire.**

***We take pride in knowing our
services help thousands of people
live more independent lives.***
