April 11, 2018

Dear Kauai Consumer Directed Participant/Employer:

Subject: Consumer-Directed (CD) Employers must enroll with Acumen

Acumen recently sent you a schedule of Kauai enrollment and training sessions (April 23-27). You should attend one of the training sessions.

This is what you must do to enroll with Acumen:

- Enroll in a session by calling the Acumen RSVP line at **(877) 211-3735** or by emailing rsvpline@acumen2.net. Complete and return the paperwork.
- If not attending a training, return the paperwork by fax, email or mail to Acumen. (You can also complete it electronically) Instructions are in the Acumen letter.
- If you need help, call Acumen Customer Service Center at (866) 759-9498.

You must start handing in the paperwork to Acumen by May 15, 2018. All paperwork must be completed by 6/15/18 or you cannot be a CD employer. If you do not enroll, you will be transferred to provider agency services.

If you have questions about the information in this letter, please call the CD Services Office at 808-733-9191.

Sincerely,

Mary Brogan, Administrator
Developmental Disabilities Division
