SUBJECT: Vision for a Good Life: Anchoring the Individual Plan to the ISP

The Department of Health, Developmental Disabilities Division, will be having a case manager and provider workshop to share new approaches to developing goals, objectives, outcomes and strategies based on the LifeCourse planning tools. These joint sessions are designed for agency service supervisors and DDD case managers. Although targeted for agency service supervisors, it is highly recommended that Executive Directors also attend one of the sessions.

The Vision for a Good Life: Anchoring the Individual Plan to the ISP, a workshop for providers, will be held on June 25, 2019, and June 27, 2019. There will be two identical repeat sessions per day at 9:00 a.m. and 1:00 p.m. All sessions will be held at the Aloha Stadium, Hospitality Room, located at 99-500 Salt Lake Boulevard in Honolulu. Please click on the link below to register for one of the sessions:
