Updated COVID-19 Announcement

All Elective Dental Procedures Are Postponed and Extended Starting September 10, 2020 Until September 23, 2020. Only Emergency/Urgent Dental Services Will Be Provided.

Due to the COVID-19 pandemic and Mayor Kirk Caldwell's extension of the "Stay-at-home, Work-from-home" order, the Hospital & Community Dental Services Branch Clinics (HCDSB) are closed for all elective dental procedures from September 10, 2020 until September 23, 2020. The clinics will still be open to provide emergency/urgent dental services. This is subject to change based upon changes to guidelines or requirements.

While many things have changed, one thing has remained the same, our commitment to your health and safety. For emergencies, please call your dental clinic at:

- Diamond Head Clinic – (808) 733-9270
- Lanakila Clinic – (808) 832-5704
- Leeward Clinic – (808) 453-6160
- Windward Clinic – (808) 235-9125

If you have any questions or there is an urgent matter, please call the HCDSB Administrative Office at (808) 832-5710.

Thank you for your understanding and patience. Take care and stay safe!
