Medicaid I/DD Waiver
Memo No.: FY2021-01
Date: August 12, 2020

TO: Medicaid I/DD Waiver Providers

FROM: Mary Brogan, Administrator
Developmental Disabilities Division

SUBJECT: Revised I/DD Waiver Rate Sheet for COVID-19 Emergency

Please find attached the revised Intellectual and Developmental Disabilities (I/DD) Medicaid Waiver rate sheet issued August 12, 2020, with an effective date of March 1, 2020. The attached generic rate sheet lists all the available services, codes, and rates under the I/DD Medicaid Waiver. This rate sheet replaces the rate sheet issued on June 8, 2020, with Medicaid I/DD Waiver transmittal memo number FY2020-10.

The rate sheet has been revised to correct the rates for the following services.

- Training and Consultation, Registered Nurse, by telehealth
- Adult Day Health, Registered Behavior Technician, 1:1, by telehealth
- Personal Assistance/Habilitation, Registered Behavior Technician, 1:1, by telehealth

For the Training and Consultation, Registered Nurse, by telehealth service, this correction is needed because the rate for this service by telehealth cannot be lower than the rate paid when the service is delivered face-to-face, in accordance with Hawaii Revised Statutes (HRS) §346-59.1. For the Registered Behavior Technician by telehealth services, this correction is needed to reflect the current approved rates in the waiver for these services.

As a reminder, the changes related to the COVID-19 emergency will be in effect and available for use with authorized services effective March 1, 2020, for the duration of the COVID-19 public health emergency with the Appendix K waiver amendment or February 28, 2021, whichever is sooner.
