Date: June 2, 2021

TO: Medicaid I/DD Waiver Providers

FROM: Mary Brogan, Administrator
Developmental Disabilities Division

SUBJECT: Effective Date of Medicaid I/DD Waiver Provider Standards Manual

The Department of Health, Developmental Disabilities Division, is pleased to issue the Medicaid Waiver Provider Standards for Individuals with Intellectual and Developmental Disabilities (Medicaid I/DD Waiver). The Standards were developed in collaboration with many stakeholders and incorporated feedback that made the document more user-friendly, clear, and comprehensive. We are deeply grateful for the partnership with providers, participants, family members and other stakeholders throughout this process.

The Department of Human Services, Med-QUEST Division, has approved the Standards with an effective date of **July 1, 2021**. The Standards will be posted to the DDD website. Please note the Appendices and Resources are not yet posted but will be available on the DDD website by mid-June.

Training on the Standards for providers and caregivers has been scheduled for Wednesday, June 16, 2021, from 1:00 to 2:30 p.m. via Zoom (see attached flyer for registration information). We kindly ask ResHab providers to please share the attached information with caregivers.

Please send any questions or comments to the Community Resources Branch by email to doh.dddcrb@doh.hawaii.gov.

Thank you for your continued commitment to providing quality services for individuals with intellectual and developmental disabilities.
