Date: July 9, 2021

TO: Medicaid I/DD Waiver Providers

FROM: Mary Brogan, Administrator
Developmental Disabilities Division

SUBJECT: Updated I/DD Waiver Rate Sheet Effective July 1, 2021

Please find attached the updated Intellectual and Developmental Disabilities (I/DD) Medicaid Waiver rate sheet effective July 1, 2021. The attached generic rate sheet lists all the available services, codes and rates under the I/DD Medicaid Waiver.

The rate sheet has been updated as follows:

- 1) Add a new service, Community Navigator.
- 2) Add Place of Service code 99 for Personal Assistance/Habilitation (PAB) when a participant receives the service while out-of-state.
- 3) Add Place of Service code 18 for Community Learning Services (CLS) when a participant receives the service while at their job.
- 4) Add CLS 1:2 and 1:3 with new rates and modifiers to support small groups of participants receiving the service while at their job in the same location.
- 5) Add telehealth options with new rates and modifiers for Individual Employment Support (IES) Job Coaching and Job Development.
- 6) Remove Training & Consultation (T&C) for Assistive Technology. The service will be provided using current T&C services by an occupational therapist, physical therapist or speech language pathologist.

Please note that there may be a follow-up memo to add Training and Consultation (T&C) changes once we receive further guidance from the Centers for Medicare and Medicaid Services on T&C by telehealth rates in the approved waiver.

The provider-specific rate sheet listing the specific waiver services your agency is authorized to provide will be distributed shortly.
