

Hawaii Immunization Program  
**School Immunization Requirements for Grade 7 Attendance\***

---

Vaccine	Number of Doses
MMR (Measles, Mumps, Rubella)	2 <sup>a</sup>
Hepatitis B	3
Varicella (chickenpox)	1 or 2 <sup>b</sup>

In addition to meeting the immunization requirements for grades Kindergarten through 12 upon first school entry in Hawaii, all students must show evidence of having received these immunizations prior to 7<sup>th</sup> grade attendance. Students who received these vaccines in infancy or childhood do not need to be re-immunized. However, all doses must meet the minimum age and interval requirements.

<sup>a</sup> Two doses of measles vaccine are required, with at least one of the two being MMR vaccine.

<sup>b</sup> Effective July 1, 2002, 2 doses of varicella vaccine are required if the first dose is administered on or after the 13<sup>th</sup> birthday. A documented history of varicella (chickenpox), signed by a U.S. licensed MD, DO, APRN, or PA, may be substituted for the varicella vaccine requirement.

All immunizations must meet the minimum ages and intervals between vaccine doses.

\* Applies to all students attending 7<sup>th</sup> grade in Hawaii.
