

Where can I get Immunizations?

- Talk to your doctor. If you don't have a doctor and need one, call Aloha United Way 2-1-1.
- Check with the student health center of the school you will be attending for available services.

For more information contact:
Hawaii State Department of Health
Immunization Branch at 586-8332
or at 1-800-933-4832
or access the website at health.hawaii.gov

David Y. Ige, Governor of Hawaii
Bruce S. Anderson, Ph.D., Director of Health

Materials can be made available in alternative formats for persons with disabilities upon request.

We provide access to our activities without regard to race, color, national origin (including language), age, sex, religion, or disability. Write or call the departmental Affirmative Action Officer at Box 3378, Honolulu, HI 96801-3378, or at 586-4616 (voice/tty) within 180 days of a problem.

Post-Secondary School Health Requirements

IT'S THE
LAW!

Post-Secondary

Post-Secondary School Health Requirements

What does Hawaii State Law require for Post-Secondary School attendance?

The *Hawaii Administrative Rules, Chapter 11-157* require all students to meet examination and immunization requirements before they attend any post-secondary school in the state.

Post-Secondary School means any:

- Adult education school
- Business School
- Trade School
- Community College
- College or University

What are the health requirements for Post-Secondary School attendance in Hawaii?

1. Immunizations

- A record of immunizations, signed or stamped by a US licensed Medical Doctor (MD), Doctor of Osteopathy (DO), Advanced Practice Registered Nurse (APRN), Physician Assistant (PA), or clinic, must be presented for school attendance. This record must include complete dates (month/day/year) for each immunization.
- Two doses of Measles vaccine are required, with at least one of the two being Measles-Mumps-Rubella (MMR) vaccine.
- A blood test showing laboratory evidence of immunity to measles, mumps and rubella signed by a US licensed MD, DO, APRN, or PA may be substituted for a record of immunizations.
- Students born before 1957 are exempt from the measles, mumps and rubella (MMR) immunization requirement.

2. Tuberculosis Clearance

For information regarding TB clearance requirements, contact the Department of Health's Tuberculosis Control Branch:

1700 Lanakila Avenue, Honolulu, HI
 phone: (808) 832-5731
 website: health.hawaii.gov/tb

What immunizations are required by the 1st day of school?

| | |
|---------------------------------------|------------------------|
| (MMR) Measles, Mumps, Rubella Vaccine | 2 doses ^{a,b} |
|---------------------------------------|------------------------|

- ^a Two doses of measles-containing vaccine are required, with at least one of the two being MMR vaccine.
- ^b If you do not have the required immunizations, provide an appointment card from your doctor showing you are in the process of completing the missing immunizations.

Students who have not completed the above requirements by the 1st day of school will not be allowed to attend school until these requirements are met.
