VACCINE POINTS

“Vaccine Points” is a bi-monthly communication distributed by the Hawaii Department of Health to all participating Vaccines for Children (VFC) providers.

Test your vaccine knowledge.

Question:

What is the MIN temperature on a MIN/MAX thermometer?

- a) The minimum acceptable temperature for vaccine
- b) The coldest temperature in the refrigerator since the memory was cleared or reset
- c) The temperature of the coldest spot in the refrigerator
- d) The number of minutes the refrigerator has been at the same temperature
- e) None of the above
