

## INSTRUCTIONS ON COMPLETING THE IMMUNIZATION ASSESSMENT REPORT FOR HAWAII SCHOOLS KINDERGARTEN THROUGH GRADE 12 (EPI 12 B)

It is the responsibility of the principal or administrator to ensure that the school only admits students who meet the health requirements for school attendance. All public and private schools are required to complete the Immunization Assessment Report (EPI 12B) on the status of enrolled students who have not completed the health requirements for school attendance. The Immunization Assessment Report is due on October 10<sup>th</sup> and January 10<sup>th</sup> of each school year. The Immunization Assessment Report is required even if all students have been the immunization and examination requirements.

An electronic version (Excel) of the EPI 12B form is available at the following website address:

<https://health.hawaii.gov/docd/resources/reports/school-assessment-reports/>

Schools are **strongly encouraged** to use the electronic versions to complete the Immunization Assessment Report. The ability to save data from the first report will assist schools in completing the second report, due in January. Send completed electronic reports to: [doh.schoolreports@doh.hawaii.gov](mailto:doh.schoolreports@doh.hawaii.gov).

### SECTION 1:

Complete the following information:
