\* Office visit services should be billed and reimbursed under the Hawaii Breast and Cervical Cancer Control Program (HBCCCP) through an integrated office visit. Office visit services must match with the authorized procedures for HBCCCP. The type and duration of office visit should be appropriate to the level of care needed to accomplish screening, diagnostic, and follow-up within WISEWOMAN. The WISEWOMAN Program is the payor of last resort, and the participants insurance should be billed for any services before WISEWOMAN will cover the cost.
